

## **Conference Minister Visit to First Congregational United Church of Christ**

The Rev. Dr. Lillian Daniel, Conference Minister of the Michigan Conference of the United Church of Christ, will be our guest on Sunday, November 19. This will be her first visit to First Congregational United Church of Christ, and to Alpena. As part of welcoming her, the following events are planned that morning.

8:45 Tour of the building with the Board of Directors

9:00 Meeting with all elected church leaders (and interested individuals) in Fellowship Hall

Rev. Dr. Daniel likes to meet with leaders, members, and friends of the congregation in order to encourage a candid two-way exchange:

1. She will have an opportunity to get to know the congregation better (warts and all).
2. Leaders, members, and friends of the congregation will have an opportunity to ask her any and all questions they might have. Rev. Dr. Daniel is a straight shooter; please feel free to ask her anything you desire.

10:00 Worship Service in Sanctuary (Rev. Dr. Daniel preaching)

11:00 Fellowship Time in Fellowship Hall
