

Special Collection for Heifer International

Sunday, August 18

On Sunday, August 18, we will have a special collection for Heifer International. There will be information on Heifer farm animals (honey bees, chicks, goats, alpacas, pigs, rabbits, sheep and water buffalo) that you may “purchase” to help alleviate hunger and poverty around the world.

Every gift from Heifer multiplies, as the animal's first offspring is passed on to another family - then they also agree to pass on an animal, and so on. Many of the problems of the world would disappear if people had enough food. A goat or a cow or a farm animal from Heifer International – and training in Earth-friendly agriculture – gives struggling families nutrition, income and dignity.

You may also drop off or send your check to the church office (made out to First Congregational Church, with note “for Heifer”) anytime during August, noting the animals you wish to purchase if you have specific preferences.
